

REMARKS

Applicant wish to thank the Examiner for the telephone interview of July 11, 2005.

An amendment to claim 22, consistent with the Examiner's previous remarks (pages 5-7) of the paper dated July 29, 2004, was discussed. It was further discussed that claim 23 would be cancelled and that claims 5 - 6 which depend from claim 22 would be amended to have consistent antecedent language with now amended claim 22.

Claim 22 should now be allowable. Previously withdrawn claim 2, which depends from allowed claim 1, is requested to be REINSERTED. Previously withdrawn claims 4 - 6 which depend from now allowable claim 22 are requested to be REINSERTED.

The Examiner is invited to telephone applicants' attorney should any issues remain.

It is believed that the case is now in condition for allowance with claims 1 - 10, and 12 - 22. Pursuant to the telephone conference of July 11, 2005, a courtesy copy of this paper is being Faxed to the Examiner on the same date this paper is filed by Fax.

Respectfully submitted,  
Paul & Paul
